

Sand Dollar Beach – Grocery stores

Safeway – Aptos

Open 24 hours – typical Safeway, crowded, smaller, not that nice.

On the way if you are going south on Highway 1 – exit State Park

Turn left back over the freeway, you will see it on your right – they also have gas

Deluxe Foods – Aptos/Rio Del Mar

On the way if you are going south on Highway 1 – exit Rio Del Mar, go right and it is on the right.

I like Deluxe Foods a lot. Lots of selection, fresh local breads and other items. A bit more pricey than Safeway but better in every way. Also has a Peets coffee inside ☺

Nob Hill - Watsonville

On the way if you are going north on Highway 1 – exit Green Valley Road, turn right on Main Street / Hwy 152, turn at first light on the left into the shopping center. Also a CVS in that same center.

Seascapes Foods – Aptos / Seascapes Village Shopping Center

I like this store and deli. Tends to be more on the healthy side – for example I don't think they sell sodas like coke, but do other more natural type sodas. Good place for picking up a few groceries, but not your major shopping. If you need sodas, across from Full of Beans is a liquor store with other drinks.

Costco – Santa Cruz

Typical Costco – it is on the north side of Santa Cruz, so not super convenient –
